

We are excited to invite you to join us for an Orientation highlighting Place of Hope's new Foster Care and Adoption agency, Homes of Hope. At the orientation, you will hear exactly how you can impact the life of a child for all eternity by getting involved in this new program.

This is just the beginning. We believe that God has called us to mobilize and equip the community of faith to get involved with our Child Welfare System. Homes of Hope intends to do this by making presentations at multiple churches and providing ongoing orientations and trainings. Through these initiatives, we desire to equip individuals and families to impact the children and families in this intricate system. We hope that you will join us as we take our first step on this amazing journey. Thank you for celebrating with us. We look forward to seeing you!

Please join us the at our Orientation to hear more details about how you can get involved:

Held the last Thursday of each month at

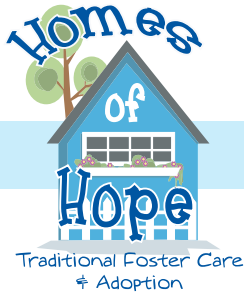

6:30pm

Place of Hope

**The Angels of Charity
Community Outreach & Administrative Center**

RSVP at 561.775.7195 or homesofhope@placeofhope.com

In 2007, Place of Hope launched its very own Child Placing Agency, Homes of Hope. Through this program, we are able to extend hope and healing off our campus and into the lives of abandoned children by providing Foster and Adoptive homes in Palm Beach County. We have a strong conviction that every child should be placed in a stable and loving family where they have the opportunity to thrive. That is why we seek multiple avenues through which we can positively influence children dealing with broken families and a hopeless past. We invite you to join with us as we respond to God's call in Isaiah 1:17, "Seek justice, encourage the oppressed, defend the cause of the fatherless..."

Here are a few ways that you can get involved:

- Volunteer to be a mentor or tutor
- Become a qualified baby sitter or respite caregiver
- Get trained to be a Guardian Ad Litem in order to represent the cause of a child
- Donate from your area of specialty; our children have physical, medical, legal and other needs
- Give some time to collect material needs, plan events and support families
- Use your resources to provide free or low cost opportunities for foster and adopted children
- Become a Foster or Adoptive Parent

Please contact us if you are interested in learning more about any of these opportunities. We will walk you through the preliminary steps to get you connected as quickly as possible. Thank you for your interest in Place of Hope.
