Communities Connected for Kids celebrates foster parents at dinner party in Port St. Lucie

There is no better gift to give a child than a family.

Communities Connected for Kids, formerly known as Devereux Community Based Care, celebrated that gift - and those who give it - in May during a special event to honor local foster parents.

The event is an annual partnership of Communities Connected for Kids, and its foster-parent licensing agencies: Camelot Community Care, 4Kids of the Treasure Coast, Place of Hope

and Mount Bethel Human Services.

Hosted at the Santa Lucie River Club at Ballentrae, the dinner was the first of a series of events being held in observation of National Foster Care Appreciation Month. The next event was a foster family pool party in June in Indian River County.

Interested in becoming a foster parent? Visit [Communities Connected for Kids](#) to find out more.
