12th Annual Hope Bash At PGA National – March 9

Hundreds Of Attendees Came To Support The Fabulous Hope Bash 2018 With A Circus Theme

Report and Photos by Penny Sheltz

Place Of Hope is an organization that provides the greatest hope on earth. It changes children's lives, gives them hope, love and a new future, and continuously enriches our broader community.

On average, 100 children a month are removed from their homes in Palm Beach County due to abuse and neglect. When a child ages out of the foster care system at 18, without continued support, 60 percent of them will become incarcerated or pregnant within 12 to 18 months. You can make a difference!

Every celebration is one step closer to saving the life of a child from abuse, neglect, homelessness and repeating the cycle of what was modeled for them.

Place of Hope is a unique faith-based, state-licensed children's organization providing family-style foster care (emergency and long-term); family outreach and intervention; maternity care; and safety for victims.

Some came in unique costumes.
