Far left, A Place of Hope residents Josue Carrillo and Rasool Jassam take part in a job readiness training event at Duffy's Sports Grill west of Boca Raton. GL Homes executives teamed up with the CEO of Duffy's for the training session.

"We hosted this Job Readiness dinner for the Place of Hope residents so they can best be set up for success. The dinner offered them direct access to advice from various business executives," said Sarah Alsofrom, community relations director at GL Homes. "It's important that young people know they are important and we care about them. This is why GL Homes is focused on spending not just our dollars but our time. At the end of the night, there were hugs all around."
