BUILDING HOPE/ONE LIFE ANNUAL FUND CAMPAIGN

20 YEARS OF BUILDING HOPE

ONE LIFE AT A TIME

Across our region on any given day, there are as many as 2,000 homeless children, youth and families, and up to 2,500 children in protective custody in the foster care system. Though their circumstances are all unique, their need for a supportive community is undeniable. **Hopelessness and despair are far greater than the immediate, visible effects.**

Since 2001, we have been committed to meeting the desperate needs in our community by providing a stable and loving environment for children, youth and families who are hurting. Through our full continuum of care we are providing programs and services specializing in family outreach and intervention, maternity care, safety for victims of domestic minor sex trafficking, affordable transitional housing and supportive services for young adults, housing and support for homeless families, foster care recruitment, hope and healing opportunities for children, youth and families throughout our region.

With primary needs met, we equip our children, youth and families with the tools they need to succeed, aiming to educate and enrich their lives and encourage them to reach their full potential.

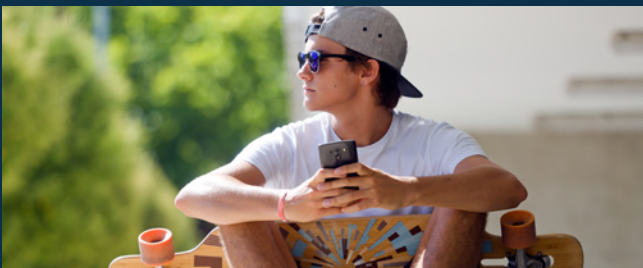

We are breaking the generational cycle of abuse and neglect and homelessness - one life at a time.

PROVIDING HOPE TOGETHER

WE INVITE YOU TO JOIN US AS WE BREAK THIS TUMULTUOUS CYCLE.

The circumstances surrounding kids entering and exiting foster care are unimaginable; and with the pandemic it has been amplified. In a normal year, challenges surrounding raising the critical funds needed to care for over 1,000 children, youth and families annually are numerous. As we brace for another different year and the demand for quality services and homes increase, so does our need for sustainable annual operating funding.

Please consider investing in the life of a child or young adult in need by including Place of Hope in your charitable giving plans for this year.

BUILDING HOPE/ONE LIFE ANNUAL FUND LEADERSHIP SOCIETY

Our Building Hope / One Life Annual Fund Leadership Society enables us to impact the lives of those who call Place of Hope home by providing financial support needed to offset our annual operating expenses. These expenses not only include programs, services, enrichment opportunities, educational needs, quality staff and case managers, but also expenses related to the maintenance and upkeep of each cottage, apartment unit and special use buildings across our six county region. Our Leadership Society is essential and critical as we continue to serve our region's most vulnerable.
